

REMARKS

The claims have been revised to remove multiple dependencies and to place the claims in better form for substantive U.S. examination.

The substance of the filed claims is based on claims received by the International Bureau on October 24, 2004 as Substituted Claims for originally filed claims 1-22 on Substitute Pages (Article 19). No new matter is added by this amendment.

Early and favorable action is earnestly solicited.

Respectfully submitted,

Christa Hildebrand
